S. M. DAMON,

Minister of Finance.

HOISTED THE UNION JACKPROTECTORATE CLAIMED OVER
THE SANTA CRUZ GROUP.Mission of H. M. S. Mohawk To the
Solomon and Duff's Islands—Na-
tive Village Destroyed.

News is to hand says a late Aus-
tralian exchange that H. M. S. Mohawk,
which recently returned to Thursday
Island from a cruise among the
Solomon Islands, proclaimed a protec-
torate over the Santa Cruz Group,
and hoisted the British flag on sev-
eral of the larger islands. The islands
are situated on the South Pacific,
north of the New Hebrides Islands,
and contain about 20,000 inhabitants.
There are only a few white men on
the islands, which are seldom visited
except by the missionary vessel,
Southern Cross. The inhabitants are
uncivilized and fierce, and earned a
bad reputation by the murders of
Bishop Patterson in 1871, and Com-
modore Goodenough in 1875. The is-
lands will be under the administration
of C. W. Woodford, the British
Commissioner in the Solomon Islands.
Duff's Islands, a small group north-
east of Queen Charlotte Islands,
were also declared under British pro-
tection.

While the ceremony of annexation
was being carried out at Utupua,
in the Santa Cruz Group, a South Sea
boy claimed protection, stating that
he had escaped two weeks previously
from an attack on an English cutter,
in which three traders were killed,
and the cutter burned. A party from
the Mohawk found the bodies of two
men and a colored man where they
had been buried. The natives took to
the bush, but their village was burned
as a punishment.

THE SUEZ CANAL.

The Suez Canal Company has just
published its annual report, declar-
ing a surplus of forty million francs
for distribution among the share-
holders. Out of nearly 3,000 vessels
that passed through the canal during
the year, upwards of 2,000 were Brit-
ish, the next in order being 300 Ger-
man, and 200 French; Russia follows
in the list, having passed through the
canal less than forty vessels. Last
year's trade was less than in the pre-
ceding year, in consequence of the
falling off in Indian exports, owing
to the plague and the famine. The
transit through the canal occupies a
little more than fifteen hours, and the
improvements in contemplation are
expected to reduce this period con-
siderably. On the whole the report
for the year is considered satisfactory.

THEN AND NOW.

The issue of June 23 of La Union
Constitutional, a conservative organ,
of Havana, had an editorial under the
heading, "One Page More of Glory,"
which says:
"The Yankees sent to Santiago de
Cuba 15,000 mercenaries to conquer
laurels at so much per yard. The on-
slaught of so many day laborers with
arms, the guns of so many ships with-
out a soul, the efforts of an enterprise
without noble feeling will break harm-
less against the strength of the illu-
strious sons of Spanish warriors who
save Spain everlasting glory. At
Santiago shall be raised a glorious
monument to the memory of our gal-
lant and brave army, navy and volun-
teers, who will rival their fathers in
bravery and patriotism." About now
the Don has remembered the Maine.

COMMUNION WINE.

The Archbishop of Canterbury Says
It May Be Diluted.

The Archbishop of Canterbury was
recently asked whether he would
give permission for communicants
whose conscientious scruples forbid
them to partake of wine at the com-
munion, to receive the bread only.
Dr. Temple, in reply, said that the
matter had been carefully considered
by the Bishops, and while they could
not sanction the partaking of one
kind only, they knew nothing to pre-
vent the dilution of the wine with
water before it was brought into the
church, to what ever extent might be
necessary.

IN EARNEST.

"Do you think their engagement
really means anything?"
"She says it means more tandem
rides and ice cream than the last one
she managed, or it will be broken off."
—Cincinnati Enquirer.

About one month ago my child,
which is fifteen months old, had an
attack of diarrhoea, accompanied by
vomiting. I gave it such remedies as
are usually given in such cases, but
as nothing gave relief, we sent for a
physician and it was under his care
for a week. At this time the child
had been sick for about ten days and
was having about twenty-five opera-
tions of the bowels every twelve hours,
and we were convinced that unless it
soon obtained relief it would not live.
Chamberlain's Colic, Cholera and Di-
arrhoea Remedy was recommended,
and I decided to try it. I soon noticed
a change for the better; by its con-
tinued use a complete cure was
brought about and it is now perfectly
healthy.—C. L. BOGGS, Stumptown,
